This question was not displayed to the respondent.

proficiency (LEP)?

Q118.

☑ Don't know percentage that have limited English proficiency (LEP)

Q126. What percentage of patients that the hospital provided care to in FY 2016 spoke the following as their primary language?

This question was not displayed to the respondent.

Q127.

☑ Don't know primary languages

Q119. What percentage of PFAC patient and family advisors in FY 2016 have limited English proficiency (LEP)?

0%

Q120.

□ Don't know percentage that have limited English proficiency (LEP)

Q123. In FY 2016, what percentage of PFAC patient and family advisors spoke the following as their primary language?

This question was not displayed to the respondent.

Q124.

☑ Don't know primary languages

Q14.

The PFAC is undertaking the following activities to ensure appropriate representation of our membership in comparison to our patient or catchment area:

We have advertised in our admission brochures, on our website and posters in facility. Our Case Management department also tells family members and patients about the PFAC committee.

Q110. Section 3: PFAC Operations

Q15. Our process for developing and distributing agendas for the PFAC meetings (click the best cho
--

- Staff develops the agenda and sends it out prior to the meeting
- PFAC members and staff develop agenda together and send it out prior to the meeting
- Staff develops the agenda and distributes it at the meetina
- PFAC members and staff develop agenda together and distribute it at the meeting
- PFAC members develop the agenda and send it out Other prior to the meeting
- PFAC members develop the agenda and distribute it at the meeting
- CN/A the PFAC does not use agendas

Q112. If staff and PFAC members develop the agenda together, please describe the process

This question was not displayed to the respondent.

Q113. If other process, please describe

This question was not displayed to the respondent

Q16.

The PFAC goals and objectives for 2016 were: (select the best choice):

- O Developed by staff and reviewed by PFAC members
- © Developed by PFAC members and staff
- N/A we did not have goals and objectives for FY 2016
- C Developed by staff alone

Q17. The PFAC had the following goals and objectives for 2016:

- 1) Recruit additional patient/family members to committee 2) Increase the number of meetings 3) Use the committee members as a sounding board for set up of Special Care unit 4) Members to join new committee structure 5) Use of old gift shop as room for families.
- Q18. Please list any subcommittees that your PFAC has established:

Family support group, Palliative Care.

	□PFAC member(s) are on board-level committee(s)
□PFAC submits meeting minutes to Board	N/A – the PFAC does not interact with the Hospita Board of Directors
☑PFAC member(s) attend(s) Board meetings	□Other
☑Board member(s) attend(s) PFAC meetings	Action items or concerns are part of an ongoing "Feedback Loop" to the Board
Q114. Please describe other interactions with the hosp	pital Board of Directors.
This question was not displayed to the respondent.	
Q20. Describe the PFAC's use of email, listservs, or s	ocial media for communication:
Committee members communicate via email, UR/Linl	k to the PFAC section of the hospital website.
Q109. Section 4: Orientation and Continuing Education	
Q21. Number of new PFAC members this year:	
2	

Q19. How does the PFAC interact with the hospital Board of Directors (click all that apply):

✓ Meeting with hospital staff	□Other
☐General hospital orientation	□In-person training
☑ Hospital performance information	✓ Massachusetts law and PFACs
□Patient engagement in research	Concepts of patient- and family-centered care (PFCC)
	Skills training on communication, technology, and meeting preparation
	Immediate "assignments" to participate in PFAC work
	□Check-in or follow-up after the orientation
□"Buddy program" with experienced members	N/A – the PFAC members do not go through a formal orientation process
Information on how PFAC fits within the organization's structure	
Q23. The PFAC received training on the following topic	cs (click all that apply):
Concepts of patient- and family-centered care (PFCC)	
□Patient engagement in research	A high-profile quality issue in the news in relation to the hospital (e.g. simultaneous surgeries, treatment
_ auent engagement in research	of VIP patients, mental patient discharge, etc)
□Types of research conducted in the hospital	□Other
☑ Hospital performance information	□Health literacy
□Not Applicable	
Q116. Please describe other topics:	
This question was not displayed to the respondent.	
Q111. Section 5: FY 2016 PFAC Impact and Accom	plishments

 ${\tt Q83.}$ The following information only concerns PFAC activities in the fiscal year 2016.

Q22. Orientation content included (click all that apply):

Q24. The five greatest accomplishments of the PFAC were:
Q24a. Accomplishment 1:
Recruited new members
Q24al. The idea for Accomplishment 1 came from:
O Detice Wife with a different fills DEAO
C Patient/family advisors of the PFAC Department, committee, or unit that requested PFAC input
Department, committee, or unit that requested PFAC input
Q24b. Accomplishment 2:
Added more wheelchairs to the lobby for family use
Q24bl. The idea for Accomplishment 2 came from:
© Patient/family advisors of the PFAC
C Department, committee, or unit that requested PFAC input
Q24c. Accomplishment 3:
Established UR/Link to facility website with information on the PFAC committee and how to become a member.
Q24cl. The idea for Accomplishment 3 came from:
© Patient/family advisors of the PFAC
C Department, committee, or unit that requested PFAC input
Q24d. Accomplishment 4:
Patient Relations Representative position added.

Q24d. The idea for Accomplishment 4 came from:
C Patient/family advisors of the PFAC Department, committee, or unit that requested PFAC input
Q24e. Accomplishment 5:
Established the continuum of care with Kindred at Home/Gentiva.
Q24e. The idea for Accomplishment 5 came from:
^C Patient/family advisors of the PFAC
© Department, committee, or unit that requested PFAC input
Q25. The five greatest challenges the PFAC had in FY 2016:
□N/A – we did not encounter any challenges in FY 2016
Q25a. Challenge 1:
Recruitment
Q25b. Challenge 2:
Agenda items- Kindred is a Long-term acute care facility and trying to find meaningful agenda items that pertain to our population is difficult.
Q25c. Challenge 3:

Q25d. Challenge 4:	
Q25e. Challenge 5:	
Q26. The PFAC members serve on the following hospit groups, or Board committees (click all that apply):	tal-wide committees, projects, task forces, work
□Behavioral Health/substance use	□Eliminating Preventable Harm
□Bereavement	Emergency Department Patient/Family Experience Improvement

□Code of Conduct	□Institutional Review Board (IRB)
□Community Benefits	□Patient Care Assessment
□Critical Care	□Patient Education
□Other	Patient and Family Experience Improvement
\square N/A – the PFAC members do not serve on these	□Pharmacy Discharge Script Program
□Board of Directors	□Quality and Safety
□Discharge Delays	Quality/Performance Improvement
Lesbian, gay, bisexual, and transgender (LGBT) – sensitive care	□Surgical Home
□Drug Shortage	□Culturally competent care
Q117. Please describe other committees, projects, task This question was not displayed to the respondent.	k forces, work groups, or Board committees:
Q27. How do members on these hospital-wide committees or At the quarterly meetings.	projects report back to the PFAC about their work?

Q28. The PFAC provided advice or recommendations Massachusetts law (click all that apply):	to the hospital on the following areas mentioned in the
Quality improvement initiatives	□Institutional Review Boards
□Patient education on safety and quality matters	N/A – the PFAC did not provide advice or □recommendations to the hospital on these areas in FY 2016
Patient and provider relationships	
Q29. PFAC members participated in the following active that apply):	rities mentioned in the Massachusetts law (click all
□Task forces	$\ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ $
□Award committees	Co-trainers for clinical and nonclinical staff, inservice programs, and health professional trainees
	□Selection of reward and recognition programs
□Search committees and in the hiring of new staff	Standing hospital committees that address quality
Q30. The hospital shared the following public hosp all that apply):	ital performance information with the PFAC (click
Q30a. Complaints and serious events	
Complaints and investigations reported to Department of Public Health (DPH)	Healthcare-Associated Infections (National Healthcare Safety Network)
Serious Reportable Events reported to Department of Public Health (DPH)	Patient complaints to hospital
Q30b. Quality of care	
Joint Commission Accreditation Quality Report (such as asthma care, immunization, stroke care)	Maternity care (such as C-sections, high risk deliveries)
Medicare Hospital Compare (such as complications, readmissions, medical imaging)	High-risk surgeries (such as aortic valve replacement, pancreatic resection)

Patient experience/satisfaction scores (eg. ▼HCAHPS - Hospital Consumer Assessment of Healthcare Providers and Systems) Resource use (such as length of stay, readmissions)	Inpatient care management (such as electronically ordering medicine, specially trained doctors for ICU patients)	
Q30d. Other		
N/A – the hospital did not share performance information with the PFAC	□Other	
Q119. Please describe other hospital performance info	ormation:	
This question was not displayed to the respondent.		
Q31. Please explain why the hospital shared only the data you checked in the previous questions:		
No special reason the facility felt these were the areas that the committee would be interested in.		
Q32. Please describe how the PFAC was engaged in discussions around these data above and any resulting quality improvement initiatives:		
Some members work in other healthcare facilities or have been or had a family member admitted to other hospitals and they want to see what our data looks like compared to other healthcare facilities. When the data has not improved in a quarter they asks what happened to cause the decrease or increase in quality and what are we doing to improve. They have helped make several improvements in patient care.		
Q33. The PFAC participated in activities related to the following state or national quality of care initiatives (click all that apply):		
Q33a. National Patient Safety Hospital Goals		
□Identifying patients correctly	□Preventing infection	
□Using medicines safely	✓Identifying patient safety risks	
□Using alarms safely	□Preventing mistakes in surgery	

Q30c. Resource use and patient satisfaction

 ☐ Hand-washing initiatives ☑ Checklists ☐ Fall prevention Care transitions (e.g., discharge planning, ☐ passports, care coordination, and follow up between care settings) 	☐Team training ☐Electronic Health Records –related errors ☐Safety ☐Human Factors Engineering
Q33c. Decision-making and advanced planning	
□Informed decision making/informed consent ☑Improving information for patients and families	☐ Health care proxies End of life planning (e.g., hospice, palliative, advanced directives)
Q33d. Additional quality initiatives	
□Rapid response teams ☑Disclosure of harm and apology	□Integration of behavioral health care
Q33e. Other	
N/A – the hospital did not share performance information with the PFAC	□Other
Q120. Please describe other initiatives:	
This question was not displayed to the respondent.	
Q34. Were any members of your PFAC engaged in	advising on research studies?
[©] Yes [©] No	
Q35. In what ways are members of your PFAC enga	ged in advising on research studies? Are they:

Q33b. Prevention and errors

This question was not displayed to the respondent.

0.36

How are members of your PFAC approached about advising on research studies?

This question was not displayed to the respondent.

Q121. Please describe other ways that members of your PFAC are approached about advising on research studies:

This question was not displayed to the respondent.

0.37.

About how many studies have your PFAC members advised on?

This question was not displayed to the respondent.

Q104.

Section 6: PFAC Annual Report

Q107.

We strongly suggest that all PFAC members approve reports prior to submission.

Q37.5. The following individuals approved this report prior to submission (list name and indicate whether staff or patient/family advisor):

Pamela Bourque - Staff, Robert Gundersen- Staff

Q38. Describe the process by which this PFAC report was completed and approved at your institution (choose the best option).

Collaborative process: staff and PFAC members both wrote and/or edited the report

^C Staff wrote report and PFAC members reviewed it

Staff wrote report

^C Other

Q122. Please describe other process:

This question was not displayed to the respondent.

Q106.

Massachusetts law requires that each hospital's annual PFAC report be made available to the public upon request. Answer the following questions about the report:

Q39. We post the report online.

Yes, link:

http://www.khstoughton.com/patients-and-familie
No

Q40. We provide a phone number or e-mail address on our website to use for requesting the report.

[©] Yes, phone number/e-mail address: 781-297-8613 Pamela.Bourque@kindred.com
