

PFAC Annual Report Form

Health Care For All (HCFA) promotes health justice in Massachusetts by working to reduce disparities and ensure coverage and access for all. HCFA uses direct service, policy development, coalition building, community organizing, public education and outreach to achieve its mission. HCFA's vision is that everyone in Massachusetts has the equitable, affordable, and comprehensive care they need to be healthy.

Why complete an annual report for my PFAC?

Under Massachusetts law, hospital-wide PFACs are required to write annual reports by October 1st each year. These reports must be made available to members of the public upon request. As in past years, HCFA is requesting a copy of each report and submitted reports will be posted on HCFA's website, www.hcfama.org. HCFA recommends using this template to assist with information collection, as well as the reporting of key activities and milestones.

What will happen with my report and how will HCFA use it?

We recognize the importance of sharing of information across PFACs. Each year, we

- > make individual reports available online
- > share the data so that PFACs can learn about what other groups are doing

Who can I contact with questions?

Please contact us at PFAC@hcfama.org or call us at 617-275-2982.

If you wish to use this Word document or any other form, please email it to PFAC@hcfama.org.

Reports should be completed by October 1, 2018.

16. The PFAC is undertaking the following activities to ensure appropriate representation of our membership in comparison to our patient population or catchment area:

We have tried to recruit young advisors and also minorities. However, our meeting time of 5-6:30 PM makes it difficult for this demographic to attend. The meeting time however, works best with our advisors who are employed 9-5. Also since we serve a large area of Cape Cod with many distinct Towns, we try to keep a balance of Advisors from these Towns, since each area has unique qualities.

Section 4: PFAC Operations

7. Our process for developing and distributing agendas for the PFAC meetings (choose):
\square Staff develops the agenda and sends it out prior to the meeting
\square Staff develops the agenda and distributes it at the meeting

☐ PFAC members and staff develop agenda together and distribute it at the meeting. (Please describe below in #17a)
\square Other process (Please describe below in #17b)
□ N/A – the PFAC does not use agendas
17a. If staff and PFAC members develop the agenda together, please describe the process: The advisors are polled at the end of each meeting to see if there are topics they would like to address at the next meeting. The Staff Co-chair arranges to have the appropriate presenter or information available at the upcoming meeting. The draft agenda is then shared with the patient/family co-chair for input. The agenda is then finalized and distributed the week before the meeting to everyone. Any supporting information is included so the advisors have the opportunity to have the needed information prior to the meeting.
17b. If other process, please describe:
