- Exploring data collection ideas using a common template

Care of Newborns Impacted by the COVID-19 Pandemic

Wednesday April 8, 2020

12 pm – 1 pm

<https://harvard.zoom.us/j/941222853?pwd=aDZBNDV4OVpXZlNRcGNmUC9lRElyQT09>

Join colleagues across the state for a chance to discuss the care of newborns born to mothers with COVID-19. The webinar will include ample time for open discussion and questions, and we will explore opportunities to collaborate.

AGENDA

- Guidance from professional organizations and other resources
- Results of NeoQIC Practice survey
- Open forum for discussion of challenges and questions
- Options for data collection, including new NeoQIC proposal
