

**BETSY  
LEHMAN  
CENTER**  
for Patient Safety

I'm

overwhelmed

anxious

angry

numb

confused

ok.

**"I'm ok" can hide a thousand things – anger, grief, confusion.**

When care goes wrong, the impact runs deep. Patient and Family Peer Support connects you one-on-one with someone who's walked in your shoes. Someone who listens, understands, and won't judge. Confidential. Compassionate. Human. **Let's talk.**
